

IQF FROZEN GREEN BEANS

Carefully selected from high-quality farms and individually quick frozen to preserve their natural freshness, Unifood IQF Frozen Green Beans offer vibrant color, crisp texture, and natural flavor in every serving. Using advanced IQF technology, each bean remains individually frozen to maintain its shape and quality after cooking.

Convenient and ready to cook, Unifood Green Beans are ideal for a wide range of dishes including sautéed vegetables, soups, casseroles, and traditional meals. Their consistent size and premium quality make them a reliable ingredient for both home cooking and professional kitchens.
